SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT
UNDER 37 C.F.R. § 1.97(c)

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(c), Applicants bring to the attention of the Examiner the document(s) listed on the attached form PTO-1449. This Supplemental Information Disclosure Statement is being filed prior the mailing date of any final action, notice of allowance, or an action that otherwise closes prosecution in the application.

The items listed on PTO-1449 were cited in an International Search Report (ISR) received from the European Patent Office in PCT application PCT/US02/41043, which claims priority and corresponds to this U.S. patent application. The ISR, a copy of which is enclosed herewith, was mailed on July 22, 2002, which is less than 3 months from the filing date of this Supplemental IDS.

A copy of the listed document(s) is/are attached.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art". If the Examiner applies a document as prior art against any claim in the application and Applicants determine that the cited document does not constitute "prior art" under United States law, Applicants reserve the right to present to the office the relevant facts and law regarding the appropriate status of the document.

Applicants further reserve the right to take appropriate action to establish the patentability of the disclosed invention over the listed document, should the document be applied against the claims of the present application.

Applicants respectfully request that the Examiner consider the listed documents and indicate that they were considered by making appropriate notations on the attached form.

The Commissioner is authorized to charge payments of any fees required 37 CFR 1.17(p) and (i) to Deposit Account No. 19-1346.

Respectfully submitted,

Daniel N. Daisak
